My years in Science High, have been both trivial and eventful. I found it hard to do well in school and try to hang out with friends of mine that weren't into the books at all. As I matured I had to get my priorities straight and it seems to be paying off. Peace to my girl Grandma, Ghetto Girls, the Jamillahs, Khaleedah, the Heedahs, Kali, Tyra & my god daughter. To my 9 and 6 year friends - I'll always remember & miss you yall. Good luck to the entire class of 96! We're outta here!
